Examiner's Amendment

1. An Examiner's Amendment to the record appears below. Should the changes or additions be unacceptable to Applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

2. Pursuant to M.P.E.P. §606.01, this title has respectfully been changed to read as follows:

**-- USER'S RIGHT INFORMATION AND KEYWORDS INPUT BASED SEARCH
QUERY GENERATING MEANS METHOD AND APPARATUS FOR SEARCHING A FILE --**

Reason for allowance

3. The following is the Examiner's statement of Reason for Allowance. This statement is not intended to necessarily state all the reasons for allowance or all the details why claims are allowed, nor it specifically or impliedly state that all the reasons for allowance are set forth. The primary, or important reason for allowance of the claims is the inclusion of the limitation(s) in all the claims, which is not found in the prior art references.

In this case, the prior art of record teaches the claimed invention substantially as claimed, however fails to teach or suggest individually or in combination; synthesizing access rights information for a folder storing a (target) document, wherein when the access rights between the folder and the document are different from hierarchy to hierarchy, the target document adopts the higher (upper) access rights between the folder and the document (as further in detail described by the disclosure on p. 26, lines 1-26 regarding Fig. 15), as at least set forth on independent claims 1 and 19.

4. Claims 1-2, 4-17 and 19 are allowed because of the combinations of other limitations and the limitation listed above.

5. Double patent analysis has been performed with respect to *issued patents* (e.g. 6,477,532, 6,298,382, 6,263,494, 6,052,529) having common relationship of inventorship and/or ownership with respect to the above-allowed claims, *none* are found to warrant a double patenting rejection.

6. Any comments Applicants considers necessary must be submitted no later than the payment of the Issue Fee and to avoid processing delays, should preferable accompany the Issue Fees. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance". In event of any post-allowance papers (e.g. IDS, 312 amendment, petition, etc.), Applicant is exhorted to mail papers to the Production Control branch in Publications or faxed to post-allowance papers correspondence branch at (703) 308-5864 to expedite issuing process or call PUB's Customer Service if any questions at (703) 305-8497.
